Mr. John Zimmerman  
President  
MTI College  
5221 Madison Avenue  
Sacramento, CA 95841

Dear President Zimmerman:

The Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges, at its meeting January 7-9, 2015, reviewed the Follow-Up Report submitted by MTI College. The Follow-Up Report was certified by college leadership, including the chair of the governing board and the college president.

Based on the College Report and evidence submitted, the Commission finds that MTI College has addressed College Recommendations 1, 2 and has fully resolved the deficiencies in College policies, procedures, and practices which led to noncompliance with Standards II.B.3.e, II.C.1.b, and II.C.1.c.

Institutions are expected to meet Eligibility Requirements, Accreditation Standards, and Commission policies at all times during the six-year review cycle. MTI College must demonstrate to the Commission at the time of the Midterm Report that the recent changes implemented to resolve deficiencies and meet Eligibility Requirements and Standards have been sustained. MTI College should submit the **Midterm Report** by **October 15, 2016**.<sup>1</sup>

The Follow-Up Report submitted in October 2014 will become part of the accreditation history of the College. The Commission requires that you give the Follow-Up Report and this letter appropriate dissemination to your College staff and to those who were signatories of the Report. This group should include the campus leadership, and the Board of Trustees.

The Commission also requires that the Follow-Up Report and this Commission action letter be made available to students and the public by placing a copy on the College website. *Please note that in response to public interest in disclosure, the Commission now requires institutions to post accreditation information on a page no more than one click from the institution's home page.*

Mr. John Zimmerman  
MTI College  
February 6, 2015

On behalf of the Commission, I wish to express continuing interest in the institution's educational quality and students' success. Professional self-regulation is the most effective means of assuring institutional integrity, effectiveness, and educational quality.

Sincerely,

Barbara A. Beno, Ph.D.  
President
